International Board of  
Lactation Consultant Examiners

## IBLCE Informational Webinar on May 28, 2020: IBLCE Updates in Light of COVID-19

It is a unique and challenging time! In light of this highly fluid environment, we know that there are a number of questions you may have about the unprecedented IBCLC examination postponement and what has been occurring at IBLCE in the last two months in light of COVID-19.

Chair of the Board of Directors Norma Escobar, IBCLC, RLC will share the most up-to-date IBLCE news as well as answer some of the most commonly asked questions during a webinar at 11:00 a.m. EDT on Thursday, May 28, 2020. The webinar will include updates about the postponed March-April 2020 examination, the scheduling and administration of the September examination, and other IBLCE updates and news. You can register for the webinar [here](#).

We also want to cover your **most commonly asked questions!** Please enter your question about initial certification or recertification in calendar year 2020 [here](#) anytime between now and Wednesday, May 27, 2020, at noon EDT. During the webinar, we will address the most frequently asked questions, and the answers to these questions will be summarised and posted on our website in all IBLCE languages.

Space is limited for the live webinar, so be sure to register in advance if you are interested. We will share a recording of the webinar afterwards.
